

GOLF COURSE GUIDE

DEAR GOLFERS

Welcome to **Laguna Golf Lãng Cô** located within the greater **Laguna Lãng Cô** integrated resort. This 18-hole, par-71 championship course designed by Sir Nick Faldo delivers a golfing experience that can be enjoyed by the most experienced players and beginners alike. The course presents variety for players of all levels measuring just under 7,000 yards from the championship tees and a beginner friendly 5,263 yards from the front tees.

The course offers ocean views and an amphitheater-like mountainous backdrop. Each hole is designed to reveal a character of its own, presenting golfers a myriad of opportunities for exceptional game play. The course weaves between trees, natural streams, over rice paddies and through impressive rock features to create a memorable and diverse golf experience.

Laguna Lãng Cô is a full-service golf facility. We have a full-sized driving range, short game area and putting green, golf buggies, rental equipment, a Golf Café, a fully-stocked Pro Shop, and much more. We pride ourselves on a quality golf course with polite and professional staff. Thank you for visiting our course and we hope you enjoy the Laguna experience.

SIR NICK FALDO SIGNATURE DESIGN

"From the first time I came here when it was still jungle almost ten years ago, I've always considered it a unique place. We knew the course was going to be different and special because you play through different environments. You go through the rice fields to the jungle. Then we've got beach and river and rocks. It really is a special course, with a memorability factor that is sure to keep golfers interested."

Our ambition was to create an iconic course that would complement this truly unique corner of Vietnam and become established as a recognised global golf destination. What we have here today, is certainly emblematic of our vision and I'm proud to host my Series Asia Grand Final here."
