GOLF ETIQUETTE

Please ensure caddies replace all divot, repair all ball marks on green and rake bunker after use. In the interest of all, please avoid slow play at all times and allow faster groups through.

Suggestions on how to improve speed of play:

- Limit practice swing to one and walk quickly between shots.
- Be ready to play when it is your turn.
- For beginners, pick your ball up and move to the next tee if you are holding up the group behind you. Invite faster players to play through.
- Maximum of 4 players per flight. 5- balls are strictly NOT permitted.

Appropriate golfing attire is required. See Club policy.
