

GOLF COURSE POLICY

1. STARTING PROCEDURES:

All players with a reserved tee time have priority on the tee. Players arriving at the Club without a reserved tee time will be accommodated as best as possible but are required to wait for the permission of the starter to begin.

Players may start on the 10th hole only with permission of the starter and/or players' assistant. Any players starting on hole number 10 wishing to play 18 holes must merge onto hole number 1 with the permission of the starter, but players starting on hole number 1 have priority over players coming off hole number 18.

Players are not permitted to stop for lunch during a 9 holes or 18 holes round.

Players are not permitted to start before the opening tee time of 6:00 A.M.

2. STARTER/PLAYER'S ASSISTANT:

All players must respectfully follow the directions of the starter and player's assistant at all times. A maximum of 4 players are permitted to play in one group. Jumping over holes at random are not permitted. The Club has the right to join up players on any hole in order to accommodate the demand of players and the flow of play.

3. PACE OF PLAY:

All players are asked to avoid slow play by playing "ready golf", to keep up with the group ahead of them and if practical, allow faster groups through.

- Similarly, smaller groups cannot expect to play through larger groups if the course is busy, and may not demand that the larger groups ahead of them play in less than 4 hours 20 minutes.

- A single player has no standing on the course and as such may have to wait for groups ahead of him.
- The Club reserves the right to restrict play from the back tees. Club official may ask players play from the certain tees if slow play ensues.
